

Ultimate ADAPTiQ Utorrent .zip Activation

English

INSTALLATION

If you are applying power to your Lifestyle® system for the first time, see "First Power-Up" on page 4.

To run the ADAPTiQ® audio calibration system process, complete the following steps:

1. In the System menu Setup tab (see Figure 4), move to the **ADAPTiQ** item by pressing the down arrow.

Figure 4 System menu Setup tab

2. Press the right arrow  to select **Run**.

3. To begin the ADAPTiQ audio calibration process, press  (**Enter**).

4. Follow the on-screen directions to complete the process.
