Hence Purani Jeans (Purani means Old in Hindi), is more than a brand of jeans. It's also a belief about life. Jeans have been worn for ages and are a perfect pair for every season of life. If we talk about the summer, then this mantra of "more the better" becomes an identity of the brand. The brand is also the voice of youth - Generation Z. Products The brand offers an array of products including four different types of Denim. Biker jeans, Crewneck, Vintage and Denim are the four types of denim jeans that the brand offers. The denim range includes all the age groups, men and women and comes in cotton and polyester as well. The brand also offers a collection of comfort shirts, casual shirts, tee's and polos. Brand Ambassadors The brand is proud to have launched the first ever fashion show by a 24 year old model, Niharika Singh. Niharika is the face of Purani Jeans, bringing the new brand of jeans to the audience. Niharika also brings to light the idea of brand ambassadors. Niharika is the voice of Generation Z. Niharika Singh is not just a model, she is a well rounded, intelligent and witty person with a great personality and sense of style. She is not just a pretty face either; she is a dedicated, talented and all round amazing model who will be a huge influence in the denim world. Founder The brand was started by Mr. Anand Prasad Chauhan, a 35 year old IT Professional. He started the brand with a dream and the zeal to bring the world of jeans closer to the youth. He took the plunge and launched the brand at national level at the Grand Finale of Kirti Utsav by Star Plus last year. Kanhaiya Lal Sharma Kanhaiya Lal Sharma is a young, energetic and passionate guy who holds the belief that " More the better" is the mantra of life. He is the brand ambassador, Chief Creative and CEO of the brand. He joined the brand in 2015 and his ambitious and confident spirit was a good fit for the brand. His passion and eagerness to make the brand go 'viral' is what got it the response it had. Denim in the Bollywood Industry As most of the movies have always been influenced by the fashion industry, 82157476af
